OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No. 11685
525

Bangalore, 26 June 1901

From

H J BHABHA, Esq.,
Inspector General of Education in Mysore,

SECTION Education
4/7/1901

To

The Secretary to the Government of Mysore,
General & Revenue Departments,
Bangalore

Sir,

I have the honour to inform you that the Lady Superintendent of the Maharani's College who now lives in the Royal Hotel Mysore reports that the buildings of the hotel are to be sold by auction next week by the Proprietor. I request that as there is no house available in Mysore for the occupation of the Lady Superintendent, Government may be pleased to order the purchase at the auction at a fair price of the buildings of the Royal Hotel from the funds of the D P W through the Executive Engineer of Mysore. The cost of all buildings of Colleges and High Schools at the head-quarters of Districts is borne by the Budget of the D. P. W. The main building of the Hotel will do very well for the quarters of the Lady Superintendent

? Where have they got funds?
Q
Enter right

and the Line of rooms for bachelors' quarters may be converted into a "residential" house for widows reading in the Maharani's College. The situation is good and the compound large enough to admit of an extension of the buildings in future. It is expected the buildings will be sold cheap to meet the demands of creditors. I request that Government may be pleased to take advantage of the opportunity to secure a suitable building ready for use as the quarters of the Lady superintendent and a Home for Widow students at a moderate price.

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General.

Govt are unable to find funds for the purchase of the building of the Royal Hotel at Mysore as recommended by the I.G. of Education.

If the present arrangements under which the Lady Supdt is allowed a house rent of Rs 60 in lieu of the house already built for her but which did not suit a former Lady Supdt, it appears desirable to obtain a house. Govt have no objection to this being done
